Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Bill:

The first meeting of the National Drug Enforcement Policy Board is scheduled for Wednesday, 24 April 1985, at 10:00 a.m. in the Roosevelt Room at the White House. This oversight board has been mandated by the National Narcotics Act of 1984 to coordinate drug enforcement policy, program, and budget review. The board will examine and develop drug enforcement policy issues for the United States Government in all areas of drug law enforcement.

There are many important policy issues which affect drug law enforcement which should be looked at by this board. A separate agenda and materials will be forwarded at a later date.

Because of the importance of your participation, I hope you will be able to set aside the time to attend personally. I look forward to seeing you at this meeting on 24 April.

Sincerely,

A handwritten signature in dark ink, appearing to be "Edwin Meeze III", is written above the typed name.

EDWIN MEESE III  
Attorney General
